SECTION 2. The district shall be dependent on the county for purposes of establishing its budget, but is otherwise amenable to separate special district government.

SECTION 3. The business and affairs of the district shall be conducted and administered by a board of seven trustees, hereinafter referred to as the "trustees," who shall be elected in even numbered years for 4-year terms of office. However, seven persons shall be appointed by the Hillsborough County Board of County Commissioners to serve as trustees of the district. Such trustees shall be appointed upon receipt of Justice Department pre-clearance, and shall serve until their successors have been elected and taken office as hereinafter provided: Four of such appointed trustees should serve until the first regular election in year 2000 and three of such persons shall serve until the second regular election in 2002. After the first and second regular elections, trustees shall serve four year terms as provided herein. After each election of trustees, the trustees shall organize by electing from their members a president, a vice-president, a recording secretary, a corresponding secretary, and a treasurer. At the same time they shall establish and publish in a newspaper of general circulation, a regular monthly meeting date, time, and place which shall be adhered to. A quorum of the board of trustees for

The trustees shall not be entitled to compensation for their services, but shall be entitled to be reimbursed from funds of the district for any authorized disbursements they may properly incur on behalf of the district. The president, the vice-president, and the treasurer shall be the only trustees authorized to execute checks and documents on behalf of the district. SECTION 4. Elections shall be held at one or more polling places designated for the district by the Supervisor of Elections. The election will be held in conjunction with the first primary election as designated in Section 100.061, Florida Statutes or any amended or successor statute. Trustees shall run on a non-partisan basis. At each election, trustees shall be elected for a term of 4 years. The candidates receiving the highest number of votes cast shall be declared elected to fill the number of vacancies to be

filled on the board and shall receive a certificate of election from the Supervisor of Elections. If two persons receive an equal and highest number of votes for the last position to be filled, such persons shall draw lots to determine who shall be elected to the office. Each trustee shall serve until his successor is duly elected and qualified. Elections shall be held between the hours of 7 a.m. and 7 p.m. and shall be conducted and supervised by the Supervisor of Elections of Hillsborough County. All matters relating to the calling, conduct, and regulation of elections not provided for in this ordinance shall be governed by the state election code. All qualified electors residing within the district shall be eligible to vote prior to the closing of the registration books for such election. All election ballots shall be prepared by the Supervisor of Elections. The Canvassing Board shall canvass the returns of the election and shall announce the results upon completion of the count. Candidates shall conduct their campaigns in accordance with the provisions of Chapter 106, Florida Statutes. SECTION 6. Trustees shall hold office for a term of 4 years and may succeed themselves. All vacancies occurring in the board of trustees from any cause shall be filled for the unexpired term from among the qualified electors of the district by vote of the remaining trustees unless a quorum cannot be obtained. In that case, the vacancy shall be filled for the unexpired term by appointing the Board of County Commissioners of Hillsborough County. Any trustee failing to discharge the duties of his position may be removed for cause by the board of trustees, after due notice and an opportunity to be heard, upon charges of malfeasance or misfeasance. Any trustee missing three consecutive

meetings may be considered for removal by the board.

SECTION 7. The board of trustees shall have the right, power and authority to levy a special assessment against all parcels of property situated within the district for the purpose of providing funds for the operation of the district. The board of trustees shall, annually, by resolution, fix the amount of the assessment for the next ensuing year and shall follow the applicable procedures established in Chapter 197, Florida Statutes. The board of trustees shall direct the Property Appraiser of Hillsborough County to assess and the Tax Collector of Hillsborough County to collect such assessment as is assessed upon each parcel of property within the district. The assessment shall not exceed One Hundred (\$100.00) Dollars per annum per parcel except upon approval by referendum of qualified voters of the district. The county Property Appraiser shall include on the Hillsborough County tax roll the special assessment for special district benefits thus made by the board of trustees of the district, and the same shall be collected in the manner and form as provided for collection of county taxes. The Property Appraiser and Tax Collector shall receive commissions as provided by general law for performing duties required of them by this ordinance. The Tax Collector shall deposit the funds into a depository designated by the board of trustees in accordance with Section 10 for the account of the district. For the purpose of determining property subject to the district assessment, a "parcel" shall be construed to mean a lot

platted within the district. The district assessment shall not be an ad valorem tax, but rather shall be a unit special assessment.

SECTION 8. The district may acquire and hold property, lease property as lessor or lessee, sue and be sued, enter into contracts, and perform other functions necessary or desirable to the carrying out of the provisions and intent of this ordinance. No debt shall be created without the approval of the board of trustees, and the Board of County Commissioners of Hillsborough County.

SECTION 9. The district assessment shall be a lien upon each parcel of land so assessed until paid, and shall be considered a part of the Hillsborough County tax, subject to the same penalties, charges, fees, and remedies for enforcement and collection as provided by the laws of the state for the collection of such taxes.

SECTION 10. The proceeds of the assessment and the funds of the district shall be deposited in the name of the district in a bank or savings and loan association or other financial institution authorized to receive deposits of county funds, which depository shall be designated by resolution of the board of trustees. The depository shall treat the funds in accordance with the legal requirements imposed upon such depositories with respect to public funds. No funds of the district shall be disbursed except by check or draft signed by two of the three authorized trustees.

SECTION 11. (1) The fiscal year of the district shall commence October 1. The trustees shall, on or before November 30 of each year, prepare an annual audited financial statement of revenue and expenditure during the prior fiscal year without regard to the amount of funds held by the district. Such financial statement shall be prepared in accordance with Section 11.45, Florida Statutes. On or before July 1 of each year, the trustees shall prepare and adopt an itemized budget showing the amount of money necessary for the operation of the district for the next fiscal year, and the district assessment to be for the next ensuing year. Prior to the adoption of the budget the trustees shall hold a public hearing at which time property owners within the district may appear and be heard. Notice of the time and place of the public hearing shall be published once in a newspaper of general circulation within Hillsborough County at least 21 days prior to the public hearing.

(2) The trustees of the district shall submit its proposed budget each year to the Board of County Commissioners of Hillsborough County for approval. The Board of County Commissioners of Hillsborough County may increase or decrease the budget on a line by line basis or in total. The assessment set by the trustees of the district shall not be set at a rate in excess of that required by the budget of the district as approved by the Board of County Commissioners of Hillsborough County.

SECTION 12. The "property" of the district shall consist of

all property hereinafter deeded to or purchased by or leased as lessor or lessee by the board of trustees, improvements now or hereafter made or erected, which the board of trustees, in their discretion, determine to be necessary or convenient for the purpose of the district; in addition thereto, the trustees may in their discretion assume the cost of installing and maintaining other facilities and lighting within the district and may acquire and dispose of any other facilities for the general purpose of the district.

SECTION 13. Persons entitled to use the facilities and property of the district shall be limited to property owners within the district, their family members and guests and such other persons and groups as the trustees may authorize from time to time upon such terms and conditions as determined by the board.

SECTION 14. The trustees shall supervise all real and personal property owned or leased as lessor or lessee by the district, and shall have the following powers in addition to those already herein enumerated:

(1) To negotiate purchases and to purchase and lease as lessor or lessee real and personal property on behalf of the district and to pay for such purchases with cash or revenue certificates;

(2) To determine and fix the assessment to be assessed annually within the district;

- (3) To enter into contracts on behalf of the district;
- (4) To incur obligations on behalf of the district, including the power to issue notes and other evidence of indebtedness of the district for the purpose of obtaining funds for the operation of the district; provided, however, that the aggregate amount of all obligations of the district payable in any fiscal year shall not exceed the aggregate amount of all revenues received by the district from all sources during such fiscal year; notes or other certificates of indebtedness issued by the district may be secured by the pledge of tax revenues obtained by the district subject to referendum approval where required by the constitution;
- (5) To pledge to the punctual payment of revenue certificates issued pursuant to this ordinance, and interest thereon, an amount of the revenue sufficient to pay said revenue certificates and the interest thereon as it shall become due;
- (6) To buy, sell, rent, or lease, as lessor or lessee, real and personal property in the name of the district; to deliver purchase money notes; to receive gifts of personal property;
- (7) To promulgate reasonable rules and regulations governing the use of the facilities of the district;
- (8) To expend funds to maintain property not owned by the district; and
- (9) To employ and pay necessary costs associated with security officers.

SECTION 15. The construction, acquisition, or improvement of personal property of the district, or the refunding of obligations issued for such purposes, is authorized under this ordinance.

SECTION 16. A record shall be kept of all meetings of the board of trustees and in such meetings a concurrence of a majority of the trustees shall be necessary to any affirmative action taken by the board. The board may adopt such rules and regulations, not inconsistent with this ordinance, as it may deem necessary or convenient in and about the transaction of its business.

SECTION 17. For the general purposes of this ordinance, each parcel of residential property in the district is hereby declared to be uniformly and generally benefitted by the provisions hereof.

SECTION 18. The district hereby created may be dissolved by a resolution adopted by the board of trustees, a copy of which shall be filed within thirty (30) days after the effective date of the dissolution with the Special District Information Program and the County, pursuant to Section 189.4043, Florida Statutes.

SECTION 19. Any trustee who is made a party to any action, suit, or proceeding solely by reason of his holding office in the district shall be relieved of any personal liability and shall be indemnified by the district against a judgment and reasonable

expenses, including attorney's fees incurred by him in defending such suit, action, or proceeding, unless it is adjudged in such proceedings that the trustee acted outside the scope of his duties, acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property.

SECTION 20. The word "district" means the special district hereby organized; the word "board," "trustees," and "board of trustees," means the board of trustees of and for the special district hereby created.

SECTION 21. If any section, subsection, sentence, clause, provision, or part of this Ordinance shall be held invalid for any reason, the remainder of this Ordinance shall not be affected thereby, but shall remain in full force and effect.

SECTION 22. This Ordinance shall become effective upon filing with the Department of State.

SECTION 3. Section 11 of the Hillsborough County Ordinance 99-27 is amended to read as follows:

SECTION 11.

(1) The fiscal year of the district shall commence October 1.

(2) Financial Reporting:

(a) The Trustees shall, before November 30 of each year, prepare a financial statement for the prior fiscal year on forms and to standards prescribed by the County. The financial statement shall be submitted to the County's Clerk of the Circuit Court by November 30th.

(b) Beginning in FY 2009, if the district board determines during the process of adopting the budget for the next fiscal year that the total of current fiscal year's actual revenues (not including funds actually carried over from the previous year to the current fiscal year) is \$50,000 or more, it shall submit an audited financial statement to the Clerk of the Circuit Court on which a financial audit has been conducted as specified in subsection (d) of this section.

(c) While the County encourages the district to have its annual financial statement audited, if, during the process described in (b), the amount of current fiscal year's revenues as determined by the district board is less than \$50,000, the district

board may vote to prepare an unaudited financial statement for that year on forms and to standards prescribed by the County. In order to prepare and submit an unaudited financial statement, the district board must (1) send a letter by first class mail to each property owner in the district and to the County informing them that the district board has chosen not to have the financial statement for the current fiscal year audited; (2) the letters must be postmarked no later than September 30th. (d) The preparation of an audited financial statement shall conform with generally accepted government auditing standards, pursuant to Chapter 10.550, *Rules of the Auditor General* and §11.45, Florida Statutes. (a) On or before July 1 of each year, the district board shall prepare and adopt by resolution an itemized budget on forms and to standards prescribed by the County. The budget will show the amount of revenues, including estimated fund balance and expenditures (including transfers and reserves), necessary for the operation of the district in the next fiscal year and the non-ad valorem assessment rate to be levied on the tax roll to support that budget. Prior to the adoption of the budget, the trustees shall hold a public hearing at which time the public may appear and be heard. Beginning May, 2009, notice of the time and place of the public hearing shall be published once in a

newspaper of general circulation within Hillsborough County at least 14 calendar days prior to the public hearing.

(b) Each year, the trustees of the district shall submit the budget it adopted pursuant to paragraph (a) above to the Board of County Commissioners for approval. The Board of County Commissioners may increase or decrease the budget on a line-by-line basis or in total and adjust the non-ad valorem assessment rate for that fiscal year.
